Prayer List

Basolo Family Update: **Becca**, former member, had successful 10-hour surgery recently to remove multiple areas of Cancer that was found. She will now have a Colostomy bag and will also have to undergo Chemotherapy. She is now at home. Prayers for **Becca** and the family as they go through this transition; and for **Becca's** overall health.

Larry Henry former member, has been released from the hospital and is at home. Continued prayers for **Larry's** full recovery & healing.

Andy Payson's Update: grandson, **Gabe**, this last treatment did NOT kill the Philadelphia Chromosome. They will now move forward with Carr T Cell Therapy (*trial phase for Gabe's cancer*). **Gabe** will go through another round of Chemotherapy & Immunotherapy as he waits for his "trained" T Cell's to be readied for transfusion and keep his cancer from growing. Transplant is put on hold. Continued prayers for **Gabe**, his family, & his medical team.

Sheila Robertson Update: prayers for a miracle for her sister's husband, **Frank**— for all the cancer to be removed from his body. Prayers for **Frank & his family**. Also, prayers for her sister-in-law, **Nickie**, as they have found a lesion on the front of her brain. Prayers for her overall health.

Debbie Tozser Update: her brother, **Gary**, is not doing well at this time. Continued prayers are requested for his healing & comfort. Also, prayers requested for her father, who is 92yrs. Old, as he is having some health issues.

"Dear Bellevue Church of Christ, I just wanted to take a moment & thank you from the bottom of my heart for being there to support Gabe and our family! I can't even tell you how encouraging it is to know that you are being lifted up in constant prayer when life feels so unstable. We know how much Andy has been there as part of your family and that by extension we get to be apart of that family too. His encouragement to the kids daily with each letter that arrives is truly a treasured healing balm to this mamma's heart. Your support means the world to us. Thank you for lifting us up to the Father and know that it doesn't go unnoticed. Bless all of you. If anyone wants, please reach out to me with a friend request & message on my Facebook so we can take you with us on this journey."
All our Love, Amy & Adam Payson & family
